PROFESSIONAL SUMMARY

Motivated MCA student and BCA graduate with strong fundamentals in programming, web development, and machine learning. Possess hands-on academic project experience in full-stack development and ML. Eager to contribute to challenging technical roles while continuously enhancing problem-solving and software development skills.

TECHNICAL SKILLS

Languages: Python, Java, SQL
Web Development: React, HTML5, CSS, Javascript
Tools & IDEs: VS Code, Eclipse, Git (if applicable)
Other Skills: Basic Problem Solving, Effective Communication

EDUCATION

Sree Narayana Institute Of Technology <i>Master of Computer Application</i>	2024 – 2026 <i>Pursuing</i>
Fatima Matha National College <i>Bachelor of Computer Application</i>	2021 – 2024
Sree Narayana Public School <i>BioMaths</i>	2019 – 2021

PROJECT EXPERIENCE

MediCore – Hospital Management System <i>Full Stack Web Development (MERN Stack)</i>	Academic Project
- Designed and developed a full-stack Hospital Management System using the MERN stack (MongoDB, Express.js, React.js, Node.js) - Built RESTful APIs using Node.js and Express.js to handle patient records, appointments, billing, and doctor management - Implemented secure authentication and role-based access control for admin, doctors, and staff using JWT - Developed dynamic and responsive user interfaces using React.js with state management and reusable components - Designed and managed NoSQL database schemas in MongoDB for storing patient data, prescriptions, and medical history - Integrated CRUD operations and ensured secure data validation and error handling across the application	

INTERNSHIPS

MERN Stack Developer Internship (2 Weeks)
Completed a two-week intensive internship on MERN Stack development, gaining hands-on experience in MongoDB, Express.js, React.js, and Node.js and built responsive frontend components integrated with back-end services.
